# Oxford High School

## Annual Fund 2010/11

## An Outstanding Education

The Annual Fund is designed to give every member of the OHS community – parents, alumnae, staff, governors and friends – the opportunity to support a variety of achievable activities and purchases each year. An outstanding education requires funds over and above the operating expenses, which can significantly enhance our students' lives at school.

### PROJECTS

As you can see, our wish list includes a range of items to benefit all of our students, from Nursery to Sixth Form. You can indicate which area (or areas) you'd like to support on the enclosed reply form.

### Wish List

#### › Senior School

Teachers from five departments are spearheading projects in which girls create a food and relaxation garden

Interactive digital periodic table

Binocular microscopes

Wonderful extras, large and small for: **Science, PE, English, Maths, Textiles and DT Departments**

#### › Junior School

Digital resources for all aspects of the curriculum

Keyboard linked to Baby Sibelius (composing software)

All weather muddy-puddle suits and an outdoor writing wall

Many other smaller items to enhance learning within and beyond the curriculum

NB. Any monies remaining once a project has been completed will be allocated to other projects at the school's discretion.

Lives of great significance begin with a spark – a nudge – a gesture.

John Furlong

### JOIN IN!

**Secure online giving is now available, making it even easier and greener to donate. Setting up a regular Direct Debit donation online (see our website for details) saves the cost of postage, and reduces the carbon footprint of the Annual Fund by guaranteeing you receive only one mailing a year (to let you know how your gift is making a difference).**

You can also make a single gift online, or if you prefer you can complete the forms enclosed with this brochure. If you are a taxpayer, you can increase your gift by completing the Gift Aid declaration online or on the reply form. **For example, a gift of £10 a month with Gift Aid means £150 for the school over the year!**
